"I am anxious to know whether it is possible for us to appeal to our wheat-growers to donate wheat for the Mission; whether the Board would be willing to handle such wheat, and what procedure would need to be adopted in the matter." and correspondence with donors</p> <p>Other donations cover clothing, hymn books, towards the church, mission evenings in local congregations, Christmas cheer, sewing machines and supplies;</p> <p>Requests to speak at rallies, slides of N Keller shown through NSW</p> <p>Operational: correspondence for nursing sister, saw mill operator, and saw mill operations, exploring the establishment of a piggery, applications for laymen to serve in the mission field, applications for staff members, schooling: Qld Department prepared a 'special school syllabus for native children.'</p> <p>Letter 6th December 1955, options for tobacco growing instead of peanut cropping: letter from Prenzler to Mr J Donges 24/1/1956 "The Department of Agriculture and Stock has strongly advised farmers in the Cooktown district to go in for tobacco growing. As peanuts have proved to be a failure in the past because of weather conditions.... At synod last year... suggested that we might be able to get an experienced tobacco grower who would work on a share basis. We do not know whether the Department of native Affairs would allow such a system on native reserve... In the past the Mission has</p>	1955-1956
